Dear Peter

Bauxite Resources Limited (ASX code "BAU") requests a voluntary suspension to the quotation of its securities. The reason for the request is the company is not in a position to make a market release regarding a regulatory decision that impacts on the company's future activities.

The Company expects to be in a position to make an announcement later in the week to enable quotation of its securities and the company is not aware of any reason why a voluntary suspension should not be granted.

For further information please do not hesitate to contact me on (08) 9221 5019.

Yours sincerely

Paul Fromson  
Company Secretary
