REVIEW AND RESULTS OF OPERATIONS

A summary of revenues and results for the half-year is set out below:

| | 200 |)7 |
|---------------------------|----------------|---------------|
| | Revenues \$ | Results \$ |
| Bauxite Resources Limited | 127,173 | (92,790) |

Bauxite Resources was founded in May 2006 for the purpose of securing tenements over land deemed prospective for bauxite mineralisation. It listed on the ASX on 22 October 2007 after closing its \$7.5 million IPO early and oversubscribed.

The Company is looking to establish itself in the Bauxite and alumina industries in Western Australia – home to four of the seven Australian alumina refineries - and is the only ASX-listed junior explorer in the highly prospective Darling Range, which produces approximately 17% of the world's alumina and is home to Alcoa's Huntly Mine, the largest producing bauxite mine in the world.

The Company has applied for 30 tenements in the three project areas of Muchea, South Darling Range and Kimberley and is primarily focused on defining a sustainable, economic bauxite resource through an intensive exploration program to be undertaken in 2008/9. It will then look to develop a bauxite export industry by direct shipping and to further assess potential resources with a view to the development of an alumina refinery.

AUDITORS' INDEPENDENCE DECLARATION

A copy of the auditors' independence declaration as required under section 307C of the Corporations Act 2001 is set out on page 4.

INDEPENDENT REVIEW REPORT TO **BAUXITE RESOURCES LIMITED**

Liability limited by a scheme approved under Professional Standards Legislation

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Bauxite Resources Limited, which comprises the balance sheet as at 31 December 2007, the income statement, statement of changes in equity and the cash flow statement for the half-year ended on that date, a summary of significant accounting policies, selected explanatory notes and the directors' declaration.

Directors' Responsibility for the Half-Year Financial Report

The company's directors are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the half-year financial report that it is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410: "Review of an Interim Financial Report Performed by the Independent Auditor of the Entity", in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the Corporation Act 2001 including: giving a true and fair view of the Company's financial position as at 31 December 2007 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134: "Interim Financial Reporting" and the Corporations Regulations 2001. As the auditor of Western Australian Resources Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the financial report.

A review of the half-year financial report consists of making enquiries, primarily of persons responsible for the financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have followed applicable independence requirements of Australian professional ethical pronouncements and the Corporations Act 2001. We declare to the best of our knowledge and belief that the auditor's independence declaration set out on page 5 of the financial report has not changed as at the date of providing our review report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Bauxite Resources Limited is not in accordance with:

- the Corporations Act 2001, including: (a)
 - (i) giving a true and fair view of the Company's financial position as at 31 December 2007 and of its performance for the half-year ended on that date; and
 - (ii) complying with Accounting Standard AASB 134: "Interim Financial Reporting" and the Corporations Regulations 2001; and

other mandatory professional reporting requirements in Australia. (b)
